

Task Team D – Dictionary Development

Alan Baker, MPR
Marty Bloss, NPR
Paul Burrows, KUED*
Efthimis Efthimiadis, U. of W.
Dave MacCarn, WGBH
Cate Twohill, PBS

Objective:

Continue development of the Public Broadcasting Metadata Dictionary.

- Ascertain whether controlled vocabularies and/or authority files are required for the PBMD, or recommended.
- Develop controlled vocabularies/authority files as needed. (Note: AW recommends working from MPR's and WGBH's previous decisions.)
- Determine whether parts of the Preliminary Dictionary can be finalized now, and released to projects that request it.
- Continue development of MD presentation/maintenance format: AP in Filemaker, Excel, HTML, etc.
- Plan User's Guide (see <http://dublincore.org/documents/usageguide/>).

Recommended Activities:

See Marcia's e-mails following concall of 5/28/03.

Please review all other group's tasks lists, and comment as much as you'd like!
