====

USE CASE NAME

Station requests story for their local station.org site

USE CASE AUTHOR

Michael Yoch

DATE

8/1/02

DESCRIPTION

Station puts story on their local site.

USE CASE PRIORITY, IF KNOWN

Highest priority.

ACTORS

- NPR.org
- Station.org

BASIC COURSE OF EVENTS

NPR makes javascript link available to station. When station puts code on station.org site the following story fields are pulled in automatically from the NPR.org site: title, teaser, photo, audio link and link to expanded feature. NPR is moving to provide this data also via XML.

PRE-CONDITIONS

POST-CONDITIONS

Story displays on station.org site.
